PARTIES, HAVE NO DUTY, OBLIGATION OR RESPONSIBILITY OF ANY KIND WHATSOEVER TO WARN, ADVISE OR IN ANY OTHER MANNER INFORM ANY OWNERS, TENANTS, OR THEIR RELATED PARTIES, OR ANY OTHER RESIDENTS OR OCCUPANTS OF ANY LOT OR COMMUNITY PROPERTIES OR ANY LAW ENFORCEMENT AGENCY, OR ANY OTHER PERSON AS TO ANY ALLEGED, SUSPECTED OR KNOWN CRIMINAL ACTIVITIES OF ANY KIND, CRIMINAL HISTORY OR BACKGROUND OF ANY PERSON, OR CRIMINAL INVESTIGATIONS BY LAW ENFORCEMENT AGENCIES OR BY ANY OTHER PERSON (ALL SUCH MATTERS, ACTIVITIES AND INVESTIGATIONS HEREIN REFERRED TO AS "CRIMINAL MATTERS"), regardless of whether the Criminal Matters involve the Subdivision, other areas in the vicinity or any other place or lands. The Association may (but has no obligation to) from time to time disclose and/or transmit information concerning Criminal Matters to Owners, tenants, and any other occupants of Lots and/or any Community Properties, to any law enforcement agencies, and to any other Person which the Association's officers, directors, agents, employees and other Related Parties in their sole discretion deem advisable. Each Owner and tenant by acceptance of any right, title or interest in any Lots, and every Owner, tenant and occupant of a Lot or any Community Properties by virtue of such occupancy, hereby consents, on their behalf and on behalf of their respective Related Parties, and on behalf of all other Persons coming upon a Lot or any Community Properties at their invitation, or with their consent or permission, to any such disclosure and/or transmittal of information. Any such disclosure and/or transmittal of information shall in no way be deemed an undertaking to do so in the future, either as to the Criminal Matters then involved or as to any other current or future Criminal Matters. All other provisions of this Section apply to any disclosure and/or transmittal of information, and to any failure to disclose and/or transmit information, concerning Criminal Matters, including in particular but without limitation, the provisions of Section 3.06.2(b) regarding the indemnity obligations of Owners, their tenants and their respective Related Parties.

Each Owner shall be responsible for any damage caused by Owner, or the respective Owner Related Parties to the Gate System or any other Subdivision Facilities.

3.06.4 Subsequent Statutory Authority. If the Texas Business Organizations Code, Texas Miscellaneous Corporation Laws Act, Chapter 84 of the Texas Civil Practice and Remedies Code or any other applicable statute, state or federal, is construed or amended to further eliminate or limit liability or authorizing further indemnification than is permitted or required by this Section 3.06, then liability will be eliminated or limited and right to indemnification will be expanded to the fullest extent permitted by such construction or amendment.

3.06.5 No Impairment. Any repeal, amendment or modification of this Section 3.06 may not adversely affect any rights or protection existing at the time of the amendment.

Article IV
Architectural Control Committee

SECTION 4.01 Organization; Compensation.

4.01.1 General. There is hereby established an Architectural Control Committee (herein sometimes referred to as the "ACC"). The Board of Directors shall act as the ACC unless an executive committee(s) is appointed by the Board of Directors to act as the ACC as permitted by the next Section. The act of a majority of the members of the ACC constitutes an act of the ACC; provided, THE ACC MAY FROM TIME TO TIME DESIGNATE ANY ONE OF ITS MEMBERS TO ACT IN ITS STEAD.

4.01.2 ACC Executive Committee. If an executive committee is appointed by the Board of Directors to act as the ACC, then the provisions of this Section apply. Such executive committee must be composed of three or five persons. A majority of such persons must at all times also be Directors, but the remaining persons need not be Directors or Members. All such persons will serve at the discretion of the Board, and all of its decisions are subject to review and modification by the Board except as herein otherwise expressly provided. In the event of the death or resignation of any person serving on the ACC, the Board of Directors shall designate a successor or successors who will have all of the authority and power of his or their predecessor(s). Until such successor has been appointed, the remaining member or members have full authority to exercise all rights, duties and powers of the ACC. The executive committees which may be appointed by the Board are as follows:

- a. New Construction Committee ("NCC") shall have the obligation to review, approve, conditionally approve or deny all applications related to the construction of single family homes (whether original or re-built) on the Lots.
- b. Residential Modifications Committee ("RMC") shall have the obligation to review, approve, conditionally approve or deny additions, and subsequent exterior construction for all items installed or constructed following the construction of the residence on the Lot.

4.01.3 Compensation. The ACC may employ one or more architects, engineers, attorneys or other consultants, as approved by the Board of Directors, to assist the ACC in carrying out its duties, and the Association shall pay such consultants for services rendered to the ACC. Members of the ACC may also be reimbursed for mileage, overhead costs and reasonable expenses in such manner and in such reasonable amounts as may be approved by the Board of Directors.

SECTION 4.02 Function and Powers.

(a) 4.02.1 Submission of Plans Required. No Regulated Modification may be commenced, constructed, erected, placed, maintained or made upon any Lot or within any part of the Subdivision unless and until complete plans and specifications covering all aspects of the Regulated Modification have been submitted to and approved in writing by the ACC as to compliance with applicable Architectural Review Criteria as set forth in Section 4.03. One complete set of plans and specifications must be submitted with each request for approval. Any plans and specifications to be submitted must specify any and all information, plans or specifications as may from time to time be required by applicable Architectural Guidelines, or in specific instances as may be requested or required by the ACC, which in the sole opinion of the ACC is reasonably necessary to fairly and fully evaluate all aspects of the proposed Regulated Modification.

4.02.2 Architectural Guidelines. The ACC, in its sole discretion, may from time to time, adopt, modify, amend and delete such reasonable Architectural Guidelines applicable to the Subdivision, including Lots and Community Properties, as it deems appropriate to maintain or reasonably enhance Prevailing Community Standards of the Subdivision at the time of adoption. Notwithstanding anything contained herein to the contrary, the Architectural Guidelines shall be of equal dignity as this Declaration and may set standards higher or in excess of this Declaration. In the event of a conflict between the Architectural Guidelines and this Declaration, the provision(s) in the Architectural Guidelines shall control. Such authority includes, but is not limited to, the right to specify:

(a) specific procedural guidelines;

(b) the amount and manner of payment of any Architectural Review Fees;

(c) specific types of Regulated Modifications which may be commenced, constructed, erected or maintained upon any Lot or anywhere within the Subdivision, as well as specific types of Regulated Modifications which will not be permitted upon any Lot or within the Subdivision;

(d) in general, all requirements deemed necessary to maximize compliance with Architectural Review Criteria as set forth in Section 4.03.

4.02.3 Manner and Effect of Adoption of Architectural Guidelines.

(a) No prior notice of any kind to any Owner or any other Person need be given as to adoption or amendment of Architectural Guidelines. The ACC shall provide or make available applicable Architectural Guidelines to Owners upon request. Architectural Guidelines may also be (but are not required to be) filed in the Official Public Records of Real Property of Montgomery County, Texas.

(b) Architectural Guidelines shall be of equal dignity with, and shall be enforceable in the same manner as, the provisions of this Declaration, provided: (a) such Architectural Guidelines shall not be deemed a waiver, modification, or repeal of any of the provisions of this Declaration; and (b) such Architectural Guidelines shall not be enacted retroactively except that all repairs, modifications or maintenance performed subsequent to adoption shall be performed in such manner as to bring the Regulated Modification, so far as practicable, in compliance with all then applicable Architectural Guidelines.

4.02.4 Variances. The Board, by consent of a majority of the full Board, may grant specific variances to Architectural Guidelines and to the architectural and use restrictions set forth in Articles VII and VIII of this Declaration as herein provided. A variance may be granted only with respect to specific instances upon written request therefor, is not binding with respect to any other request for a variance whether or not similar in nature, and does not constitute a waiver, modification or repeal of any of the provisions of this Declaration or other Governing Documents except for the limited purpose of and to the extent of the specific variance expressly granted. A variance may be granted due to circumstances which are reasonably beyond the control of the applicant to reasonably mitigate or rectify, and that the granting of a specific variance will not materially and adversely affect the architectural, aesthetic or environmental integrity of the Subdivision or the scheme of development therein or other reasons, in the sole judgment of the ACC. The determination of the ACC that the conditions for granting of a variance have or have not been met are final.

SECTION 4.03 Architectural Review Criteria. The ACC will evaluate all submitted applications for ACC approval on the individual merits of the particular application, and based on evaluation of the compatibility of the proposed Regulated Modification with Prevailing Community Standards as of the date of submission of an application.

SECTION 4.04 Submission and Response; Failure of ACC to Act; ACC Decisions.

4.04.1 Submission and Response. Applications for ACC approval and requests for variances are deemed submitted to the ACC only upon actual receipt. Lessees shall file applications or requests for variance in the name of their lessors, and shall also join therein. Where more than one Owner applies for approval or a variance, the delivery, mailing or sending by email of a response to any one of the Owners as aforesaid constitutes notice to all such Owners. All responses of the ACC are deemed given when delivered to the applicant, when deposited in the United States mail, with postage prepaid and properly addressed to the applicant or sent to the Owner's email address. If the ACC fails to respond to a proper application or a proper request for variance within thirty days after receipt, then the application or request, as the case may be, is automatically denied.

4.04.2 ACC Decisions. The ACC may fully approve any request for approval made pursuant to this Article IV, or the ACC may approve any such request subject to compliance with conditions stated in a conditional approval. A conditional approval is effective only upon full compliance with the stated condition(s). The ACC may disapprove any request for approval for any of the following reasons: (i) failure to comply with any applicable Architectural Review Criteria as set forth in Section 4.03; (ii) lack of sufficient information, plans or specifications as reasonably determined by the ACC to enable the ACC to fairly and fully evaluate the proposed Regulated Modification or the uses thereof; (iii) failure to include any information, plans or specifications required by applicable Governing Documents, or as may be reasonably requested by the ACC or; (iv) failing to comply with the prevailing Community Standards as determined by the ACC, in its sole discretion. The ACC shall notify the applicant of its decisions in writing. Except for compliance with this Article, no action or omission of the ACC shall otherwise constitute a waiver as to any other provisions of this Declaration or preclude by estoppel or otherwise full enforcement thereof.

SECTION 4.05 Implied Conditions of Approval.

4.05.1 Applicability. Unless expressly waived or modified by the ACC in writing and except as otherwise provided as to initial construction of a single family residence upon a Lot as set forth in Section 8.04 hereof, each and every approval or conditional approval by the ACC of a Regulated Modification is subject to all provisions of this Section 4.05 whether or not stated in the approval or conditional approval.

4.05.2 Commencement and Completion of Work. Work on each Regulated Modification must commence within thirty days after ACC approval or conditional approval is given. Upon commencement, the work must be prosecuted diligently to obtain completion of all work as reasonably soon thereafter as possible, and in any event the work must be substantially completed within sixty days. The foregoing sixty-day period will be extended in the event of and only for the duration of delays due to strikes, war, acts of God or other good cause beyond the reasonable control of the Owner as determined in the sole opinion of the ACC. Section 8.04.2 and not this Section 4.05.2 applies to initial construction of a single family residence upon a Lot.

4.05.3 Equipment and Materials. No equipment, materials or other things or devices necessary for completion of a Regulated Modification may be placed or stored upon a Lot or within the Subdivision any longer than necessary prior to, and in no event more than ten days prior to, commencement of the work on the Regulated Modification. All such equipment, materials, things and devices must be placed within the property lines of the affected Lot, and so far as practical must be stored in locations not visible from any street, Lot or the Community Properties. Upon completion of the work on the Regulated Modification, any such equipment, materials, things or devices not incorporated in the Regulated Modification must be promptly removed from the Lot and Subdivision and in any event within five business days. Section 8.04.4 regarding storage of materials and not this Section 4.05.3 applies to initial construction of a residence upon a Lot.

4.05.4 New Construction Materials Required. Only new construction materials may be used in construction of any Regulated Modification except as otherwise approved by the ACC (such as the use of used brick).

4.05.5 Drainage. Each Owner is wholly and solely responsible for compliance with the provisions of Section 8.04.8 regarding drainage, including the obligation to comply with all requests or requirements of the ACC as authorized by said Section, and is liable for all consequences of any failure to comply.

4.05.6 Compliance With Plans. All work on a Regulated Modification must proceed in strict compliance with the application and plans and specifications approved by the ACC, all conditions stated by the ACC, if any, and all applicable Governing Documents and governmental rules, regulations and ordinances.

4.05.7 Permit Requirement. Applicants shall be solely responsible for full compliance with all permitting requirements of the City, if applicable, and all other governmental agencies having jurisdiction, and shall apply for and diligently pursue obtaining of all required permits promptly after ACC approval or conditional approval is received. The ACC is expressly authorized to deny approval pending, or condition approval upon, prior compliance with applicable permitting requirements or upon receipt of certification satisfactory to the ACC that no such permitting requirements exist.

4.05.8 Compliance With Laws and Governing Documents. Each applicant is solely responsible for insuring that every Regulated Modification, as proposed and as completed, is in compliance with applicable governmental laws, ordinances and regulations (including building codes, and permit and licensing requirements), and with applicable requirements of the Governing Documents.

SECTION 4.06 Inspection Rights. Upon reasonable notice (oral or written), any member of the ACC or the Board of Directors or their designated representatives may enter upon a Lot without liability for trespass or otherwise for purposes of confirming compliance with any applicable provisions of the Governing Documents regarding a proposed Regulated Modification, the work in progress, and the completed Regulated Modification. Except for gross negligence, willful misconduct or knowing violation of the law, the Owner of any Lot so inspected by the ACC is not liable for any personal injuries, death or property damage of or to any person or entity performing such inspection.

SECTION 4.07 Records of Architectural Control Committee. The ACC is not required to maintain records of its meetings.

SECTION 4.08 Liability of Architectural Control Committee. Except as provided in Section 3.06, neither the Association nor the ACC, nor their respective Related Parties are liable to any Owner, the Owner's tenants, the Related Parties of either, or to any other Person for any actions or failure to act or in connection with any approval,

conditional approval or disapproval of any application for approval or request for variance, including without limitation, mistakes in judgment, negligence, malfeasance, or nonfeasance. No approval or conditional approval of an application or related plans or specifications and no publication of Architectural Guidelines may ever be construed as representing or implying that, or as a covenant, representation, warranty or guaranty that, if followed, the Regulated Modification will comply with applicable legal requirements, or as to any matters relating to the health, safety, workmanship or suitability for any purpose of the Regulated Modification. The provisions hereof are cumulative of the provisions of Section 3.06.

Article V Maintenance Fund

SECTION 5.01 Obligation for Payments to Maintenance Fund.

5.01.1 Establishment of Maintenance Fund. There is hereby established a Maintenance Fund in to which will be paid all assessments as provided for herein. The judgment of the Board in establishing any assessments and in the collection, management and expenditure of the Maintenance Fund is final and conclusive.

5.01.4 Personal Obligation; Transferees. In addition to the assessment lien herein established, each assessment is the personal obligation of each Owner of the Lot charged therewith at the time liability for the assessment accrued notwithstanding any subsequent transfer of ownership. Except as provided in Sections 5.01.5 and 5.07.3, each Owner's transferee, whether by purchase, gift, devise or otherwise, and whether voluntary or by operation of law, is also jointly and severally liable for payment of all unpaid assessments owed to the Association at the time of transfer without prejudice to the rights of the transferee to recover from the transferor the amounts paid by said transferee.

5.01.5 Statement of Assessments. Any transferee (or prospective transferee upon presentment of an executed earnest money contract or other writing satisfactory to the Board) shall be entitled to a statement from the Association setting forth all assessments due as of the date of the written request. The Board may set a reasonable charge for providing a statement of indebtedness, the payment of which is a condition precedent to the Association's obligation to provide same.

5.01.6 Duty of Board; Authority of City. It shall be the duty of the Board of Directors to assess and collect the assessments established by this Article and to utilize such funds for the installation, maintenance, repairs and upkeep of the Subdivision Facilities and the maintenance and upkeep of the Community Properties and as otherwise specified in herein. If, for any reason, the Board of Directors shall fail to provide for the assessment and collection of the assessments, or for the proper maintenance and upkeep of the privately dedicated subdivision improvements, then, the City Council of the City of Conroe, Texas, shall be authorized but not required, to exercise such power in the place of the Board of Directors. In the event the City of Conroe, Texas, shall advance its own funds to defray expenses of maintenance of the privately dedicated subdivision improvements, the City shall be entitled to reimburse from the Maintenance Fund and may increase the maintenance assessment as necessary to insure repayment. The maintenance charges and assessments imposed hereby will remain effective for the full term (and extended term, if any) of this Declaration.

SECTION 5.02 Administration of Maintenance Fund.

5.02.1 Assessment and Payment of Regular Assessments. Regular assessments accrue (are assessed) on a monthly basis, but are payable as next provided. UNLESS AND UNTIL OTHERWISE DETERMINED BY THE BOARD AS AFORESAID, THE FULL AMOUNT OF REGULAR ANNUAL ASSESSMENTS SHALL BE DUE AND PAYABLE ANNUALLY, IN ADVANCE, ON THE FIRST DAY OF JANUARY OF EACH CALENDAR YEAR. The Board shall have the right, but not the obligation, to require regular annual assessments be paid semi-annually, quarterly or monthly, in advance (instead of annually). If the Board does so, the semi-annual, quarterly or monthly installments of regular annual assessments, as the case may be, shall be rounded upward to the next dollar, and the regular annual assessment shall be automatically adjusted upward by the amount of such rounding.

5.02.2 Uniform Rates and Regular and Special Assessments. Except as provided in Section 5.02.3, regular and special assessments on all Lots must be fixed at a uniform rate, and must be determined on a per Lot basis. The number of Lots upon which the regular or special assessments are based upon shall be the number of Lots in the Subdivision as shown on the then recorded and effective Plat. However, and notwithstanding the foregoing, in the event there exists a Pending Replat, the total number of Lots as set forth in the Pending Replat plus the total number of Lots shown on the then effective Plat which are not the subject of the Pending Replat may (in the Board's sole discretion be used in determining the total number of Lots upon which the regular or special assessment are based upon. In the event that the Pending Replat may (in the Board's sole discretion) be used in determining the total number of Lots upon which the regular or special assessment are based upon. In the event that the Pending Replat is not approved by the City of Conroe or Montgomery County, Texas, or both, on or before the later of (i) ten (10) months after being submitted to the City of Conroe, or (ii) ten (10) months after being submitted to Montgomery County, Texas (all as may be required to make the Pending Replat, effective otherwise such condition shall not apply), then the number of Lots as shown on the then recorded and effective Plat at the time the regular or special assessment was fixed and determine shall apply to such regular or special assessment and the Owners may be entitled to a refund or the Owners may be obligated for additional assessments, as the case may be.

5.02.3 Declarant, Builder, and Owner Rates. Declarant is obligated to pay assessments only as provided in Section 11.08. Owners (including Builders) shall pay the full rate of assessments.

5.02.4 Application of Payments. All payments made by or on behalf of an Owner for assessments (regular, special or specific) are deemed made upon the date of receipt of the payment by the Association or its designated representative. All payments received, including payments received in consequence of judicial or non-judicial foreclosure, will be applied (regardless as to the Owner's intended, requested or noted application of a payment) (i) first to payment of all specific assessments owed to the Association with application to be made in inverse order of the specific assessments listed in Section 5.06.1; (ii) then to payment of all special assessments; and (iii) finally to payment of all regular assessments. Application within each category shall be on a first in, first out basis.

SECTION 5.03 Base Rate and Subsequent Computation of Regular Assessment.

5.03.1 Initial Base Rate of Regular Assessments. The initial full base rate of the regular annual assessment for 2011 per Lot (and continuing during 2011 and thereafter unless and until modified as herein provided) is NINE HUNDRED SEVENTY-FIVE DOLLARS (\$975.00) per Lot per year.

5.03.2 Subsequent Computation of Regular Assessments. The annual

rate of regular assessment per Lot as specified by Section 5.03.1 may be adjusted from time to time by the Board. The Board shall adopt a budget at least annually to determine sums necessary and adequate to provide for the expenses of the Association for the succeeding twelve month period (including funding of capital, contingency and other reserves). The Board shall set the annual rate of regular assessments based on the budget, and determine whether same will be payable annually, semi-annually, quarterly or monthly. Increases in the regular annual assessment shall be as follows:

- (a) Without Owner Approval. Beginning with the regular annual assessment for calendar year 2012, the maximum regular annual assessment may be increased once a year by the Board by an amount not to exceed ten percent (10%) over the prior year's regular annual assessment.
- (b) With Owner Approval. The regular annual assessment may be increased above that allowed by Section 5.03.2(a) if the increase is approved by Owner's of one-third (1/3) of the Lots then contained in the Subdivision.

SECTION 5.04 No Waiver or Release. Notwithstanding anything to the contrary herein, the omission or failure for any reason of the Board to determine an annual rate of regular assessment or to mail or deliver a notice of an annual rate of regular assessment or due date for payment thereof does not constitute a waiver, modification or release of an Owner's obligation to pay assessments as otherwise herein provided.

SECTION 5.05 Capital Assessments and Special Assessments.

5.05.1 Capital Assessments. In addition to the regular annual assessments authorized herein, upon the acquisition of record title to a Lot with a new residence by the first Owner thereof from a Builder or Owner (other than Declarant, its successors and/or assigns) and upon each reconveyance of such Lot and residence thereafter, a payment shall be made by or on behalf of the purchaser of the Lot to the Association in an amount equal to fifty percent (50%) of the regular annual assessment of such Lot for the year of the conveyance or such lesser amount as may be determined by the Board from time to time. This amount shall be in addition to, not in lieu of, the regular annual assessments. Funds so received by the Association may be used to defray operating costs, capital improvement costs, and other expenses of the Association, including but not limited to Subdivision Facilities as determined by the Board in its sole discretion.

5.05.2 Special Assessments. In addition to the other assessments authorized herein, including other special assessments authorized by the Declaration, the Board may levy special assessments at any time during each fiscal year for purposes of defraying, in whole or in part, any expenses not anticipated by the budget then in effect, or to replace part or all of any contingency, capital or other reserve fund. SO LONG AS THE TOTAL AMOUNT OF SPECIAL ASSESSMENTS ALLOCABLE TO EACH LOT

DOES NOT EXCEED FIFTY PERCENT (50%) OF THE AMOUNT OF THE REGULAR ANNUAL ASSESSMENT THEN IN EFFECT IN ANY ONE FISCAL YEAR, THE BOARD MAY IMPOSE THE SPECIAL ASSESSMENT WITHOUT VOTE OR APPROVAL OF ANY OWNER; PROVIDED, AT LEAST THIRTY DAYS WRITTEN NOTICE MUST BE GIVEN TO THE OWNERS OF ALL LOTS OF ANY SUCH SPECIAL ASSESSMENT. Special assessments allocable to each Lot exceeding the foregoing limitation will be effective only if approved by Owners of one-third (1/3) of the Lots then contained within the Subdivision. Special assessments are payable as determined by the Board, and the Board may permit special assessments to be paid in installments extending beyond the fiscal year in which the special assessment is imposed. SPECIAL ASSESSMENTS ARE PAYABLE BASED ON APPLICATION OF THE RATE CLASSIFICATIONS AS SET FORTH IN SECTION 5.02.03.

SECTION 5.06 Specific Assessments.

5.06.1 Types. Specific assessments must be assessed against individual Lots and the Owner(s) thereafter at the time liability for same accrues as follows:

(a) Front Yard Maintenance. In the event Front Yards are maintained by the Association, as determined by the Board on an annual basis, in its sole discretion, each Owner must tender to the Association the cost to the Association of the Front Yard Maintenance within fifteen (15) days of receipt of a statement from the Board requesting payment therefore. The Board may require payment for Front Yard Maintenance in advance. Each Owner shall be obligated to immediately advise the Board from time to time in writing of any adverse condition or problem affecting or relating to the Front Yard Maintenance conducted for such Owner as a condition precedent to any obligation of the Association to correct such adverse condition or problem. In the event that the Board shall at any time determine, in its sole discretion, that the correction of any adverse condition or problem relating to any Front Yard Maintenance was caused by the Owner of the Lot, then the costs of such maintenance and correction, if requested by such Owner and carried out by the Board, shall be charged to such Owner by the Board and shall be payable by such Owner within fifteen (15) days after receipt of a statement from the Board requesting payment therefore. Under no circumstance shall any director or any officer or agent of the Association be liable to any Owner for any action or inaction of the Board with respect to any Front Yard Maintenance, and each Owner hereby releases and relinquishes forever any claims, demands or actions which such Owner may at any time have or be deemed to have against the Board, and director or the Association with regard to Front Yard Maintenance, whether arising out of the alleged negligence, misfeasance, malfeasance (but not gross negligence or willful misconduct) of any agent of the Association, any officer of the Association or any director. FURTHER, EACH OWNER HEREBY RELEASES DECLARANT AND THE ASSOCIATION FROM, AND EACH OWNER MUST HEREAFTER INDEMNIFY, PROTECT, DEFEND, SAVE AND HOLD HARMLESS DECLARANT AND THE ASSOCIATION, AND THEIR RESPECTIVE EMPLOYEES, OFFICERS, DIRECTORS, REPRESENTATIVES, ATTORNEYS AND AGENTS FROM AND AGAINST, ANY AND ALL DEBTS, DUTIES, OBLIGATIONS,

LIABILITIES, SUITS, CLAIMS, DEMANDS, CAUSES OF ACTION, INJURY, DEATH, DAMAGES, LOSSES, COSTS AND EXPENSES (INCLUDING, WITHOUT LIMITATION, ATTORNEYS' FEES AND EXPENSES AND COURT COSTS) IN ANY WAY RELATING TO, CONNECTED WITH OR ARISING OUT OF THE FRONT YARD MAINTENANCE.

(b) Interest. Interest compounded monthly from the due date at the rate of the lesser of eighteen percent (18%) per annum or the maximum legal rate will be charged on all delinquent assessments, regular, special or specific, which are not paid in full within thirty days after the due date.

(c) Late Charges. A late charge in the amount of FIFTY DOLLARS (\$50.00) or twenty-percent (20%) of the amount due, whichever is greater, is hereby imposed as to any regular, special or specific assessment which is not paid in full within thirty days after payment of same is due.

(d) Compliance Costs. All expenses reasonably attributable to or incurred by reason of a breach or violation of or to obtain compliance with any provisions of this Declaration or other Governing Documents must be assessed against the Owner who occasioned the incurrence of such expenses, including reasonable attorney's fees whether incurred prior to, during the pendency of or after successful completion of any actions in a court of competent jurisdiction.

(e) Foreclosure of Assessment Lien. In the event of foreclosure of the Association's assessment lien as herein provided, the Owner is required to pay to the Association a reasonable rental as determined by the Board for the use of the Lot and improvements thereon during the period of foreclosure, and the Board at its election is entitled to a receiver to collect same. The "period of foreclosure" commences on the date of posting for foreclosure in the event of non-judicial foreclosure, or on the date of entry of judgment granting foreclosure in the event of judicial foreclosure. The "period of foreclosure" continues through the first day of the month following the date of acquisition of actual possession by the purchaser at the foreclosure sale.

(f) Other Obligations (Including Fines and Transfer and ACC Fees). All other monetary obligations established by or pursuant to this Declaration or other Governing Documents which are intended to apply to one or several but not all Lots must be assessed against the applicable Owner(s). Such charges may include without limitation reasonable charges for:

- i. providing a statement of assessments or indebtedness;
- ii. providing of a resale certificate;
- iii. transfer fees to reflect changes of ownership, tenancy or occupancy on the records of the

Association except for changes in ownership from Declarant to Builder, in which case there will be no transfer fees;

- iv. fines for any violation of any provisions of this Declaration or other Governing Documents;
- v. charges for processing of applications for architectural approval, including as provided in Section 4.02.2(b);
- vi. admission or usage fees applicable to Community Properties; and
- vii any other charges otherwise permitted or authorized by law, including without limitation as permitted or authorized by Chapter 204 of the Texas Property Code.

Except for fines, the Board may from time to time contract with Managing Agents to provide any of the services and/or to perform any of the functions associated with any of the foregoing charges, and in connection therewith (but subject to authority of the Board to waive any specific assessment as herein provided) may by contract or resolution assign to such Managing Agent the right to set the amount of and to receive payment of the applicable charge. The right and authority to set the amount of and receive payment of charges for statements of assessments or indebtedness and transfer fees as aforesaid is deemed to be assigned by virtue of contracting with a Managing Agent to provide the associated functions and services for so long as the applicable contract remains in effect unless the applicable contract expressly provides otherwise. The Board may adopt, amend, revise and repeal any charges authorized hereby from time to time by resolution and without notice except as to fines and admission or usage fees which must be by adoption of appropriate Rules and Regulations.

5.06.2 Payment; Waiver. Specific assessments are due and payable immediately upon the occurrence of the event giving rise to liability for payment of same. Failure of the Association to impose or collect any specific assessment is not grounds for any action against the Association, or any Director, officer, agent or employee thereof) and does not constitute a waiver of the Association's right to exercise its authority to collect any specific assessments in the future. For good cause shown as determined in the sole opinion of the Board, the Board may waive, wholly or partially, imposition of any specific assessment; provided, any such waiver is conditioned upon payment in full of all remaining monetary obligations then owed to the Association or receipt of written commitment that same will be paid within a specified period of time.

SECTION 5.07 Lien for Assessments.

5.07.1 Establishment of Lien. All sums assessed against any Lot pursuant to this Declaration, whether by regular, special or specific assessment as provided herein, are secured by a continuing lien on such Lot in favor of the Association.

5.07.2 Perfection of Lien. The recordation of this Declaration constitutes record notice and perfection of the Association's continuing lien, effective from the date of recordation of this Declaration. No further recordation of a claim of lien or other notice of any type or kind whatsoever is required to establish or perfect such lien. To further evidence such lien, the Association may, but is not required to, prepare and file in the Official Public Records of Real Property of Montgomery County, Texas, written notice of default in payment of assessments in such form as the Board may direct.

5.07.3 Priority of Lien. The Association's continuing lien is superior to all other liens or encumbrances on each Lot except:

(a) a lien for real property taxes and other governmental assessments or charges on a Lot (a "Tax Lien") to the extent so required by law but not otherwise (it being the intent hereof that the Association's continuing lien is superior to any Tax Lien if permitted by law, including as provided in Section 32.05 of the Texas Tax Code);

(b) a lien securing payment of one or more loans made, in whole or part, to the Declarant, Declarant's successor(s), assign(s) and/or designee(s);

(c) a first lien securing payment of purchase money for a Lot and any other "first mortgage" as that term is defined by HUD or VA, and any lien securing payment for work and materials used in constructing improvements on a Lot (a "First Lien") (i) as to and only as to assessments (regular, special or specific) the obligation for payment of which accrues from or after the applicable First Lien is duly recorded in the Official Public Records of Real Property of Montgomery County, Texas, and (ii) as to and only to the extent of unpaid sums secured by such First Lien;

(d) an extension of credit (commonly known as a home equity loan) made in accordance with and pursuant to Section 50(a)(6), Article XVI, of the Texas Constitution, as amended;

(e) a reverse mortgage made in accordance with and pursuant to Section 50(a)(7), Article XVI, of the Texas Constitution, as amended; and

(f) such other mortgages, deeds of trust, liens or other encumbrances to which the Board may from time to time by written agreement specifically and expressly agree, subject to such terms and conditions as set forth in the applicable written agreement.

5.07.4 Other Liens. Except as provided in Section 5.07.3 or as otherwise expressly provided herein, all other Persons acquiring liens or encumbrances on any

Lot are deemed to consent that such liens or encumbrances are inferior to the Association's lien for assessments, as provided herein, whether or not consent is specifically set forth in, and notwithstanding any contrary provisions in, any instruments creating such liens or encumbrances.

SECTION 5.08 Effect of Nonpayment of Assessments.

5.08.1 Delinquency Date. Any assessments, regular, special or specific, which are not paid by the due date are delinquent as of midnight on the due date.

5.08.2 Automatic Remedies. Except to the extent otherwise expressly agreed in writing by the Board, if any assessments are not paid by the due date, then:

(a) late charges, interest from the due date, and all compliance costs (including reasonable attorney's fees), all as set forth in Section 5.06, shall be added to and included in the amount of such assessment; and

(b) all voting rights of the Owner and all rights to use of all recreational facilities by the Owner, their tenants and their respective Related Parties will be automatically suspended until all assessments and other monetary obligations or charges assessed by the Association are paid in full.

5.08.3 Elective Remedies After Notice. If any assessments are not paid within thirty days after the due date, then the Association may elect to exercise any or all of the following remedies without prejudice to any other rights or remedies, provided that notice and opportunity to be heard is first given:

(a) Acceleration of Assessments. The Association may accelerate, through the end of the year in which notice of default is given and for an additional twelve month period thereafter, all regular assessments, and any installments for special or specific assessments due or to become due during said period.

(b) Suspension of Services. In addition to automatic suspension of rights to use of recreational facilities as above provided, the Association may suspend until all assessments (including utility specific assessments and accelerated assessments, if any) are paid in full all other rights of the delinquent Owner, the Owner's tenants, and the Related Parties of either, to the usage of any and all other Community Properties and/or Subdivision Facilities.

5.08.4 Action for Debt; Foreclosure.

(a) Each Owner, by acquisition of any Lot within the Subdivision or any right, title or interest therein, expressly grants to and vests in the Association (i) the right and power to bring all actions against each Owner, personally for the collection of all delinquent assessments as a debt; (ii) the right and power to foreclose the Association's continuing lien for assessments by all methods available for the

enforcement of a mortgage, deed of trust or any other contractual lien, including foreclosure by an action brought in the name of the Association either judicially or non-judicially by power of sale; and (iii) a continuing power of sale in connection with the non-judicial foreclosure of the Association's continuing lien for assessments as herein provided.

(b) The Board or the then President of the Association may appoint, in writing, from time to time, an officer, agent, trustee, or attorney of the Association (the "Trustee") to exercise the power of sale on behalf of and as the agent of the Association, including without limitation to deliver and file the notices required by Section 51.002 of the Texas Property Code (as amended), and to conduct the sale and to otherwise comply with said statute. The Board or the then President of the Association may from time to time, remove any such Trustee and appoint & successor or substitute Trustee without further formality than an appointment and designation in writing. Except as otherwise provided by this Declaration, the Association will exercise its power of sale pursuant to Section 51.002 of the Texas Property Code (as amended). The Association has the right and power to bid on any Lot at any foreclosure sale, either judicial or non-judicial, and to acquire, hold, lease, mortgage, or convey the same.

(c) If directed by the Association to foreclose the Association's continuing lien, the Trustee will, either personally or by agent, give notice of the foreclosure sale as required by the Texas Property Code as then in effect, and sell and convey all or part of the applicable property "AS IS" to the highest bidder for cash with a general warranty binding the applicable Owner, subject to prior liens and any other matters of record and without representation or warranty, express or implied, by Trustee. From the proceeds of the sale, Trustee shall pay in order, (i) expenses of foreclosure, including a reasonable commission to Trustee and attorneys fees; (ii) to the Association the full amount of assessments, interest, late charges, attorneys fees, and other amounts due to the Association pursuant to this Declaration or other Governing Documents; (iii) any amounts required by law to be paid before payment to Owner; and (iv) pay to Owner any balance. The Association shall indemnify Trustee and hold Trustee harmless from and against all costs, expenses, and liabilities incurred by Trustee for acting in the execution or enforcement of the Association's lien or otherwise pursuant to this Declaration or other Governing Documents, including all court and other costs, and attorneys fees incurred by Trustee in defense of any action or proceeding taken against Trustee in that capacity.

(d) The filing of suit to collect any sums due hereunder or to foreclose the Association's continuing lien for assessments may never be considered an election so as to preclude exercise of any other rights or remedies, including without limitation foreclosure under power of sale before or after a final judgment. After foreclosure, either judicial or non-judicial, the former Owner and anyone claiming under the former Owner must immediately surrender possession to the purchaser. If not, the former Owner and anyone claiming under the former Owner will be mere tenants at sufferance of the purchaser, and the purchaser may obtain immediate possession either pursuant to a judgment for foreclosure or by forcible detainer or eviction to be

maintainable by the purchaser.

(e) Each Owner, by acquisition of any Lot within the Subdivision or right, title or interest therein, specifically covenants and stipulates as to each and every Trustee's foreclosure sale that the recitals in any appointment or designation of Trustee, any conveyance by the Trustee and any affidavit of the Trustee or the Association related thereto shall be full proof and evidence of the matters therein stated, all prerequisites of the foreclosure sale shall be presumed to have been performed, and the foreclosure sale made under the powers herein granted shall be a perpetual bar against the Owner(s) of the Lot(s) sold and their heirs, executors and administrators, successors and assigns, and any Persons whatsoever claiming or to claim thereunder.

5.08.5 Extinguishment of Inferior Liens. Foreclosure of the Association's continuing lien for assessments terminates, extinguishes and forever discharges all inferior or subordinate liens and encumbrances (being all liens and encumbrances except as provided by Section 5.07.3) as to the affected Lot. The foregoing applies to judicial and non-judicial foreclosure of the Association's continuing lien for assessments regardless of whether or not the holder of the inferior or subordinate lien or encumbrance is made a party to or given notice of any proceedings in connection therewith, including without limitation whether or not made a party to or given notice of any judicial foreclosure suit and any other proceedings in connection therewith.

SECTION 5.09 Foreclosure; Bankruptcy.

5.09.1 Effect of Foreclosure or Bankruptcy. The effect of judicial or non-judicial foreclosure of a lien which is superior to the Association's continuing assessment lien under this Declaration, or acceptance of a deed in lieu thereof, and the effect of the discharge of an Owner in bankruptcy is determined as of the first day of the month following the date of foreclosure, the date of signing of a deed in lieu which is accepted by the grantee or the date of filing of the bankruptcy in which the Owner is discharged, as the case may be (the "Discharge Date"). Foreclosure or acceptance of a deed in lieu as aforesaid does not relieve the former Owner from the personal obligation for payment of assessments due as of the Discharge Date, but does release the Association's continuing assessment lien as to and only as to assessments due prior to the Discharge Date. The purchaser at foreclosure or grantee under a deed in lieu and an Owner discharged in bankruptcy is also relieved from any obligation for payment of assessments due prior to the Discharge Date, but is obligated to pay all assessments assessed or assessable from and after the Discharge Date and the Association's continuing assessment lien fully secures payment of said assessments. For purposes of the foregoing "assessments assessed or assessable" means (i) prorated regular annual assessments based on the number of months remaining in the calendar year in which the Discharge Date occurs regardless of whether the applicable regular annual assessment is payable in advance annually, semi-annually or quarterly, and (ii) any installments for special or specific assessments so payable which become due after the Discharge Date.

5.09.2 Revival of Assessment Lien; No Merger. The Association's assessment lien is automatically revived as to any Owner who reacquires ownership of a Lot within two years after the Discharge Date (as defined in the immediately preceding Section) to the same effect as if none of the events causing the Discharge Date to occur had occurred. The Association's assessment lien is not, by merger or otherwise, extinguished or otherwise effected by acquisition of ownership of a Lot at any time and in any manner by the Association.

SECTION 5.10 Assessment as Independent Covenant. The obligation to pay assessments is a separate and independent covenant and contractual obligation on the part of each Owner. No off-set, credit, waiver, diminution or abatement may be claimed by any Owner to avoid or diminish the obligation for payment of assessments for any reason, including, by way of illustration but not limitation (i) by nonuse of any Community Properties or abandonment of a Lot, (ii) by reason of any alleged actions or failure to act by the Association, or its officers, Directors, agents or employees, whether or not required under this Declaration or other Governing Documents, (iii) for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or (iv) by reason of any action taken by the Association, or its officers, Directors, agents or employees to comply with any law, ordinance, or any order or directive of any governmental authority, or pursuant to any judgment or order of a court of competent jurisdiction.

Article VI

Declarant is specifically authorized to enter any such contracts or agreements on behalf of the Association, and to bind the Association thereto, at any time prior to termination of the Development Period, and Declarant may amend this Declaration at any time prior to or after termination of the Development Period to the extent it deems necessary by reason of any such contract or agreement.

(c) The Association, at its sole option and sole discretion, as determined by the Board, may perform the Front Yard Maintenance.

6.01.2 City Required Subdivision Improvements.

(a) Private Dedication. Certain Subdivision improvements which are required by the subdivision regulations of the City of Conroe, Texas have been privately dedicated for the use and benefit of property owners within the Subdivision. The improvements described in this Section 6.01.2 are Required Private Subdivision Improvements which are dedicated for the private use and benefit of Lot Owner's within the Subdivision. The Association shall be responsible for the maintenance and unkeep of these Required Private Subdivision Improvements and shall be authorized to assess and collect a maintenance fee and assessments against the Subdivision Lots and to expend funds so collected for such purposes.

(b) Private Streets. Streets which have been noted on the Subdivision Plat as "Private" are dedicated for the private use and benefit of Lot Owners within the Subdivision and are maintained by the Association. Notwithstanding this private dedication, the dedication includes an easement covering the street area which permits the installation, operation and maintenance of water, sewer, gas, electric, telephone, cable television or other such utilities by the City and other utilities lawfully entitled to provide service to the abutting property. The dedication also includes a right of access to public agencies engaged in both routine and emergency public services, including law enforcement, fire protection, medical response, inspection and code enforcement. The maintenance entity may make an offer of public dedication of private streets if such dedication is authorized by the affirmative vote of the Owners of a majority of the Lots within the Subdivision. To be effective, an offered public dedication must be accepted by a formal vote of the governing body of the public entity which has jurisdiction over the streets. Until formally accepted, private streets which are offered for public dedication remain the responsibility of the Association.

(c) Street Lights. The Association shall be responsible for the operation and maintenance of street lighting within the Subdivision unless and until such responsibility is assumed by a public entity.

(d) Storm Water Detention Facilities. Storm water detention facilities have been located within the Subdivision to contain the storm water runoff associated with the development. The Association shall be responsible for the operation and maintenance of these facilities.

(e) Open Spaces and Common Area. The Association shall be responsible for open spaces and common area within the Subdivision. These facilities are dedicated for the use and benefit of Lot Owners within the Subdivision only.

(f) Amendment of Section. The provision of this Section 6.01.2

may not be amended without the express written consent of the Planning Commission of the City of Conroe, Texas.

(g) Exercise of Maintenance and Assessment Powers by City.

In the event the Association shall fail or refuse to adequately maintain the privately dedicated subdivision improvements described by this Section 6.01.2, the City shall be authorized, but not obligated, to exercise the assessment and maintenance powers in place of the Association. The City may utilize the proceeds of the maintenance funds to reimburse funds advanced by the City for maintenance of improvements covered by this Section 6.01.2.

6.01.3 Owner's Liability for Payment of Association Costs. Each Owner, their tenants, and their respective Related Parties are expressly prohibited from doing anything which (i) could or does increase the Association's costs of insurance or result in cancellation or diminution in insurance coverage, (ii) could or does cause damage to or increase costs of maintenance, repair, replacement, obligations regarding the Community Properties, or any other areas maintained by the Association, or (iii) could or does increase costs of management or operation of any Community Properties (including Subdivision Facilities) or discharge of any other obligations of the Association pursuant to this Declaration or other Governing Documents. Regardless of availability of insurance coverage, the Association may charge to each responsible Owner, as a specific assessment, all increased costs of insurance and all costs of maintenance, repair, replacement, management or operation and all other damages resulting, directly or indirectly, from the acts or omissions of an Owner, their tenants, or their respective Related Parties in violation of the foregoing provisions.

SECTION 6.02 Owner Maintenance Responsibilities.

6.02.1 General; Interior Maintenance. All maintenance of each Lot and all improvements thereon is the sole responsibility of the Owner thereof. Each Owner must maintain their Lot and all improvements thereon at all times in such manner as to obtain and maintain Prevailing Community Standards on a continuing basis as may be more specifically determined by this Declaration and other Governing Documents, including as determined from time to time by duly adopted Architectural Guidelines and Rules and Regulations. Without limitation of the foregoing, each Owner must maintain, at each Owner's sole cost and expense, the interior of the Owner's residence and garage, including all fixtures, equipment, appliances, things and devices located therein. MAINTENANCE WHICH AFFECTS THE EXTERIOR APPEARANCE OF A RESIDENCE OR GARAGE IS SUBJECT TO THE APPLICABLE PROVISIONS OF ARTICLE IV REGARDING ARCHITECTURAL CONTROL COMMITTEE APPROVAL.

6.02.2 Residences and Other Improvements. Each Owner shall maintain the Lot, the exterior of each Owner's residence, garage, and all other buildings, structures, fences, walls, recreational equipment and improvements and landscaping located upon each Owner's Lot, in an attractive, sound and well maintained condition, including proper maintenance and repair as needed of paint, bricks, siding, roofs, rain

gutters, downspouts, exterior walls, driveways, parking areas and all other exterior portions of the Owner's residence and garage (the term "residence" includes garage, sidewalks and related "flatwork" as applicable):

6.02.3 Utilities. The Owner of each Lot must maintain all sanitary sewer lines and facilities, drainage or storm water lines and facilities, storm water pollution prevention devices, water pipelines, water sprinkler system, water meters and related water lines and facilities, electrical and gas lines, meters and facilities, telephone and any other telecommunication lines, devices or facilities, and all other facilities, utilities and services which service each Lot (the "Owner Utilities"), regardless of the location of the Owner Utilities, whether on or adjacent to the Lot, save and except to the extent maintenance of any Owner Utilities is provided and actually performed by any governmental entity or utility company.

6.02.4 Landscaping. All grass, shrub, trees, flower beds, vegetation and all other landscaping, (all of which must be natural; artificial landscaping is not allowed) on each Lot which is not maintained by the Association must be maintained at all times in accordance with the seasons as reasonably necessary to obtain and maintain on a consistent and continuing basis Prevailing Community Standards, including as reasonably necessary to maintain on a consistent and continuing basis a sanitary, healthful and attractive condition and appearance and to eliminate any condition which may create any unsanitary condition or become a harborage for rodents, vermin or other pests. In the event the Board decides, in its sole discretion, that the Association will perform the Front Yard Maintenance, and notwithstanding such Front Yard Maintenance, Owners are responsible for all maintenance of the Front Yard not performed by the Association and understand and agree that Front Yard Maintenance, if any, may not cover all items in need of routine maintenance in the Front Yard and that the Owner of the Lot is responsible for such maintenance.

6.02.5 Disturbance of Community Properties. In the event the performance of any Owner's maintenance responsibilities requires that any portion of the Community Properties be modified, removed or disturbed, then such Owner must first obtain the written consent of the ACC as to same. All such work must be performed, at the option of the Association, either under the supervision of the Association in accordance with plans and specifications approved by the ACC, or by the Association at the reasonable expense of the Owner. If the Association performs the work at the expense of the Owner, the ACC may require a security deposit or advance payment of all of the estimated expenses which the Owner must pay upon demand. Such indebtedness will be added to and become a part of the specific assessment to which such Owner and the Owner's Lot are subject, and is secured by the continuing lien hereby established against such Owner's Lot.

6.02.6 Adjacent or Adjoining Owners; Common Fences. No Owner or their tenant will allow any condition to exist or fail or neglect to provide any maintenance which adversely affects any adjoining or adjacent Lot, any Community Properties, or any improvements on any such Lot or the Community Properties. All maintenance,

repair or replacement of Lot Line Fencing as may be approved in accordance with Section 8.08 which separates adjoining Lots, or which is otherwise shared in common by two adjoining Lots, is the joint responsibility of, and the costs thereof shall be shared equally by, the adjoining Owners.

SECTION 6.03 Right of Entry and Inspection; Owner's Default. In the event the Board or ACC determines that (i) an Owner may have or has failed or refused to discharge properly the Owner's maintenance obligations as provided in this Article, or (ii) the need for maintenance, repair, or replacement which is the responsibility of the Association hereunder may have or has been caused through the willful or negligent act or omission of an Owner, the Owner's tenants, or their respective Related Parties, then the Association may conduct inspections of any affected Building, the exterior of the residence and all other buildings thereon, and all other structures and improvements thereon (a "Compliance Inspection") and/or perform the repair, replacement or maintenance (the "Required Work") in accordance with the following:

6.03.1 If the Board or ACC determines that a violation of this Article may exist, the Board, ACC and their Related Parties may enter a Lot, and all other buildings, structures and other improvements thereon, to inspect same and any and all exterior portions of the single family residence, garage in any other buildings located on the Lot and to conduct a Compliance Inspection, including such investigative work as may be reasonably required to confirm that a violation does or does not exist. Except in the event of an Emergency, the Association must give written notice of the Association's intent to conduct a Compliance Inspection. The notice must state generally the nature of the suspected violations. The notice must also state the name, address and telephone number of a contact with whom to schedule a date and time for the inspection within ten days of the date of the notice (or such longer time as may be stated in the notice), and must state if a date and time is not so scheduled the Compliance Inspection may be conducted at any time within a specified period of time thereafter (which period of time may not exceed a ten day period within thirty days after expiration of the scheduling period).

6.03.2 Except in the event of an Emergency, the Association must give written notice of the Association's intent to provide Required Work. The notice must set forth the Required Work with reasonable particularity. The Owner of the Lot to which the notice of Required Work pertains will have ten days within which to complete the Required Work as set forth in this notice, or, in the event the Required Work is not capable of completion within a ten day period, to commence the Required Work within ten days and to complete same within a reasonable time not to exceed thirty days unless otherwise specifically approved by the Board or ACC. The affected Owner must give written notice of the intent to commence the work and of the completion of Required Work stating in detail the Required Work intended to be commenced and the Required Work which has been completed. The Board or ACC, through their Related Parties, may also conduct a Compliance Inspection to confirm completion of all Required Work.

6.03.3 If any Owner fails to schedule an inspection pursuant to a Compliance Inspection notice, the Association has the right (but not the obligation), through its Related Parties, to enter a Lot and thereupon to conduct the inspection as provided in Section 6.03.1. If any Owner fails fully to comply with a notice as to Required Work, the Association has the right (but not the obligation), through its Related Parties, to enter upon the Lot and to do all things upon the Lot, to the exterior of the residence and all buildings, and as to any structures and other improvements located thereon to commence and complete the Required Work.

6.03.4 In case of Emergency, the Association has the right (but not the obligation), through its Related Parties, to immediate entry upon a Lot, and the single family residence, garage and all other buildings, structures and other improvements thereon, and to otherwise immediately exercise all rights and remedies authorized by this Section as is reasonably necessary in the sole opinion of the Board or ACC to abate the Emergency, without prior notice. Upon abatement of the Emergency, applicable provisions of this Section will then again apply.

6.03.5 The determination by the Board or ACC as to the need for a Compliance Inspection and as to all aspects of Required Work is final and conclusive, and extends to anything or condition as to such Lot or which adversely affects any other Lot or Community Properties. Neither the Association nor any of its Related Parties may be held liable for trespass or any other tort or claim for damages in connection with any actions or failure to act pursuant to this Section. The provisions hereof are cumulative of the provisions of Section 3.06.

6.03.6 All costs and expenses as to conducting of a Compliance Inspection if a violation is confirmed and in all events as to all aspects of Required Work which is performed by the Association pursuant to this Section, as determined in the sole opinion of the Board or ACC, will be added to and become a part of the specific assessment to which such Owner and the Owner's Lot is subject, and is secured by the continuing lien hereby established against such Owner's Lot.

6.03.7 The provisions of this Section also apply to any other violations of the Governing Documents as provided in Section 10.02.

SECTION 6.04 Casualty Losses - Association Responsibilities. Except as hereafter provided, in the event of damage by fire or other casualty to the Community Properties or regarding any other matters as to which the Association has an obligation to maintain pursuant to this Declaration or other Governing Documents, or if any governmental authority requires any repair, reconstruction or replacement as to same, the Association must perform all repairs, reconstruction or replacement necessitated thereby (the "Casualty Work"). The Casualty Work must be such as will substantially restore the Community Properties to its condition prior to the casualty or as required by the governmental authority. Any insurance proceeds payable as to the Casualty Work must be paid to the Association. Except for Casualty Work which is required by any governmental authority, the Owners may agree not to perform any Casualty Work. Any

decision not to perform Casualty Work must be submitted to the Owners at a special meeting of Members called for that purpose, and must be approved by affirmative vote of the Owners of not less than a majority of all Lots then contained in the Subdivision.

SECTION 6.05 Casualty Losses - Owner Responsibilities.

6.05.1 Required Repair or Replacement. Whether or not insured, and unless completely razed or removed as permitted by the next subsection, all damage or destruction by fire or other casualty to all or any portion of any improvements on a Lot, including the residence and/or any appurtenant garage as originally constructed on a Lot, must be repaired or replaced by the Owner thereof within seventy-five days after such damage or destruction; or, where repairs or replacements cannot be completed within seventy-five days, they must be commenced within such period and completed within a reasonable time thereafter as determined by the ACC. For good cause shown, the ACC may extend the foregoing periods.

6.05.2 Other Casualty Losses. Whether or not insured, any building, structure, improvement and any other type of Regulated Modification which is damaged or destroyed and which is not repaired or replaced as provided by the above subsection must either be razed or removed in its entirety from the affected Lot and the Subdivision within sixty days after such damage or destruction. This includes removal of any foundation as to any razed or removed building, structure or other improvement and such other restoration required such that after razing or removal Prevailing Community Standards are maintained. For good cause shown, the ACC may extend the foregoing periods.

6.05.3 ACC Approval Required. The provisions of Article IV apply to all work and any other activities pursuant to the requirements of this Section.

SECTION 6.06 Owner Insurance.

6.06.1 General. The Owner of each Lot must maintain personal liability insurance and all-risk property and casualty insurance as required by this Section, and of such types and form, in such amounts and with such deductibles, limits and other terms as from time to time established by applicable Rules and Regulations. The Board is also specifically authorized by applicable Rules and Regulations to alter, amend, repeal or revise any provisions of this Section (including all subparts). NOTWITHSTANDING THE FOREGOING OR ANY OTHER PROVISIONS OF THIS DECLARATION OR ANY OTHER GOVERNING DOCUMENTS (i) OBTAINING OF LIABILITY AND PROPERTY INSURANCE REGARDING AND FOR EACH LOT AND ALL IMPROVEMENTS THEREON (INCLUDING RESIDENCES AND APPURTENANT STRUCTURES AND THE CONTENTS THEREOF) IS THE SOLE RESPONSIBILITY OF THE OWNER THEREOF, AND (ii) DECLARANT, THE ASSOCIATION, THE BOARD AND THEIR RELATED PARTIES HAVE NO OBLIGATION WHATSOEVER TO CONFIRM COMPLIANCE BY ANY OWNER WITH ANY PROVISIONS OF THIS SECTION, OR TO ACT ON BEHALF OF ANY OWNER AS TO OBTAINING OF ANY

INSURANCE OR OTHERWISE COMPLYING WITH ANY PROVISIONS OF THIS SECTION OR TO OTHERWISE ASSUME ANY RESPONSIBILITY REGARDING THE FOREGOING.

6.06.2 Required Coverage. At a minimum, the Owner of each Lot must obtain property insurance to insure the residential dwelling thereon, and all fixtures, equipment and other improvements pertaining thereto; which policy must include personal liability insurance coverage and name the Association as an additional insured on such personal liability coverage.

6.06.3 Coverage Periods; Notice; Policy Provisions. Dwelling coverage as required by this Section must be obtained effective as of the date of acquisition of ownership by an Owner, and must remain continuously in effect through the date of acquisition of ownership by each succeeding Owner. Each policy must to the extent reasonably obtainable (i) waive any rights of the insurer to subrogation against Declarant, the Association and their Related Parties, (ii) provide primary coverage in the event of any other coverage under other insurance carried by Declarant, the Association or their Related Parties, and (iii) provide that the insurer may not cancel or refuse to renew the policy until at least thirty days written notice is given to the Association.

6.06.4 Proof of Coverage; Default. Upon written request, each Owner must provide to the Association proof of insurance as required by this Section and any applicable Rules and Regulations in such manner and form as the Board may require.

SECTION 6.07 Association Insurance.

6.07.1 Coverage. To the extent reasonably available, the Association shall maintain, if available, and as an expense of all Owners payable from the regular annual assessment, casualty insurance for all insurable improvements on the Community Properties for the full replacement cost thereof and general liability insurance covering the Community Properties. The Board may, but shall not be obligated to, also obtain (i) workers compensation insurance, and the Board shall obtain such insurance if and to

the extent required by law, (ii) directors' and officers' liability coverage, and (iii) a fidelity bond or fidelity insurance on directors' and officers' liability coverage, and (iii) a fidelity bond or fidelity insurance on directors, officers, employees, and other persons handling or responsible for the Association's funds.

6.07.2 Unavailable Coverage; Additional Rules and Regulations. Neither the Association nor its Related Parties are liable for failure to obtain any insurance coverage or to otherwise comply with any other provisions of the Article VI regarding same if such failure is due to unavailability or to excessive costs as determined in the sole good faith opinion of the Board, or for any other reason beyond the reasonable control of the Board. The Board is specifically authorized from time to time to adopt and amend policies, procedures and any other Rules and Regulations to more fully effectuate the purposes and intent of the provisions of this Section 6.07.

SECTION 6.08 Condemnation. If at any time all or any part of the Community Properties are taken (or conveyed in lieu of and under threat of condemnation by the Association by any authority having the power of condemnation or eminent domain, any award, compensation or damages must be paid to the Association). The Board has the exclusive right to act on behalf of the Association with respect to the negotiation, litigation and settlement of the taking or condemnation issues affecting such Community Properties. Such proceeds must be added to the funds of the Association, and the Association shall decide on whether or not to replace or restore, as far as possible, the Community Properties so taken or damaged. The Declarant and the Association have no duty or obligation to notify Owners of pending or threatened condemnation or eminent domain proceedings. If condemnation proceeds are insufficient to replace or restore any loss or damage, the Association may levy a special assessment as provided for in Section 5.05 of this Declaration.

SECTION 6.09 Acknowledgment of Location and No Duty to Notify. Some of the Lots are or may be adjacent to or near some of following:

DRAINAGE CHANNEL, RAILROAD TRACK, COMMUNITY CENTER, SUBDIVISION FACILITIES, STORM WATER DETENTION FACILITY, ELEVATED WATER STORAGE TOWER, SCHOOL FACILITY, SCHOOL SITE, SPORTS FACILITY OR BALL FIELD, COMMUNITY POND, PARK AND/OR RECREATION FACILITY, WATER PLANT/SEWER PLANT, LIFT STATION, DRILL SITE, PIPELINE EASEMENT, A TRANSPORTATION ARTERIAL AND/OR VACANT PROPERTY. (g) Each party will bear the expense of its own counsel, experts, witnesses, and preparation and presentment of proofs, unless the arbitrator decides otherwise. The parties will bear the costs of arbitration equally, unless the arbitrator decides otherwise. To the extent permitted by applicable law, the arbitrator has the power to award recovery of all costs, expenses and fees (including pre-award expenses, witness fees, attorney's fees, administrative fees, and arbitrator's fees) to the prevailing party.

At any time during the existence of any Dispute which has not been finally resolved in writing, whether during or after the Development Period, Declarant may take all actions which in Declarant's sole opinion are necessary or appropriate to address, correct, cure or otherwise deal with the asserted Dispute. For such purposes, Declarant may utilize any easements established by the Declaration, or by any Plat or otherwise, without the consent of or compensation of any kind to the Association, or any Owner, or any Related Parties of the foregoing, or any other Person. 12.02.3 Method for Approval of Amendment by Owners.

(a) Notice of any proposed amendment must be given to Owners of all Lots at least ten days before circulation of the amending instrument or conducting of a special meeting as to same. Unless a complete copy of the proposed amending instrument is included with the notice, the notice must set forth a reasonable summary of the proposed amendments and in that event, a complete copy of the amending instrument must be mailed or otherwise delivered to any Owner promptly upon receipt by the Association of a written request for same.

(b) The Owner's approval of any amendment of this Declaration may be obtained (i) by execution of the amending instrument or a consent thereto by any Owner of each Lot so approving, (ii) by affirmative vote, in person or by proxy, at a special meeting called for consideration of any such amendment, or (iii) by any combination of the foregoing.

(c) Any joint Owner may nullify the approval of another joint Owner only by filing of a written objection in the Official Public Records of Real Property of Montgomery County, Texas, not later than ninety days after filing of the amending instrument. The certification of the Association's Secretary as to compliance with all prerequisites for amendment set forth herein is final and conclusive from and after the expiration of two years after filing of the applicable amending instrument in the Official Public Records of Real Property of Montgomery County, Texas.

12.02.4 Effective Date. Any lawful amendment of this Declaration will be effective from and after filing of the amending instrument in the Official Public Records of Real Property of Montgomery County, Texas, or such later date as may be stated in the amending instrument.

12.02.5 NO IMPAIRMENT OF DECLARANT'S RIGHTS. NO AMENDMENT UNDER THIS SECTION EITHER DURING OR AFTER THE DEVELOPMENT PERIOD MAY REMOVE, REVOKE, OR MODIFY ANY RIGHT OR PRIVILEGE OF DECLARANT WITHOUT THE PRIOR WRITTEN CONSENT OF DECLARANT.

SECTION 12.03 Notices to Association, ACC, Owners and Tenants. Unless

otherwise expressly provided herein, all notices or other communications permitted or required under this Declaration MUST BE IN WRITING AND MUST BE PROPERLY DATED, AND ARE DEEMED PROPERLY GIVEN IF, BUT ONLY IF, GIVEN IN ACCORDANCE WITH THE FOLLOWING:

request last received shall control.

12.03.4 Change of Ownership. Written notice of change of ownership of a Lot by sale or otherwise must be given to the Association by the new Owner within thirty days after the change. The notice must state the name and current mailing address of the current Owner(s), the date of acquisition of ownership, the names of all persons who will occupy the affected Lot and their relationship and a general statement of the legal basis of the change of ownership (such as sale under deed or executory contract for conveyance).

12.03.8 Other Governing Documents. Applicable provisions of this

Section 12.03 also apply to notices or other communications permitted or required by other Governing Documents except as otherwise expressly provided in such other Governing Documents, and provided that notice given in accordance herewith is in all events sufficient regardless of contrary provisions in other Governing Documents.
